THE POWER OF PARTNERSHIP

With NAMIWalks, it's not how far we walk, it's how far we've come.

With sponsors, it's not only how much you have helped us in the past, it's also how your help has allowed us to prepare for the future. And for new sponsors, it's the ideal moment to discover the power that your participation can add to the movement.

As the conversation surrounding mental health has become energized like never before, our dream of Mental Health for All has emerged as a goal within reach. We believe that your sponsorship will continue to make all the difference.

NAMIWalks AND OUR SPONSORS LEAD THE WAY

With every expression of support from you, our sponsors, we are able to strengthen our three pillars:

To promote awareness of mental health and reduce stigma

To raise funds for NAMI's free, top-rated mental health programs

To build community and let people know they are not alone

ABOUT US

NAMIWalks is the largest, most vibrant mental health event series in the country. It is presented by NAMI, the National Alliance on Mental Illness, known locally as NAMI Lowcountry SC. Over the past year alone, NAMIWalks has surged to new levels of popularity and impact, leading NAMI to be recognized as the Peer-to-Peer Fundraising Organization of the Year! Taking place in more than 120 locations, NAMIWalks invites participants to share their stories, build community and walk together to achieve Mental Health for All.

Funds raised directly support NAMI Lowcountry's mission of education, advocacy, support and public awareness of mental health conditions. Locally, NAMI Lowcountry provides free family support groups, connection support groups plus a myriad of educational programs. We are proud to embrace our role as a leader in the field, and grateful to our partners in helping to make this possible.

SPONSORSHIP TIERS OF IMPACT *at a glance*

NAMIWalks is proud to help build better lives for people living in the Lowcountry of South Carolina affected by mental health conditions. We are grateful to our partners for making this possible.
